### Warm Cookie-Dough Float Brooke McLay, entertaining expert at

TheCheekyKitchen.com and contributor to Betty Crocker.com, developed this unusual hot-and-cold recipe to showcase Cookie Crisp cereal, one of her favorite breakfast treats!

In 3-quart saucepan or large pot, whisk together 4 Tbs. butter, 1/2 cup brown sugar and 1 pint cookie dough ice cream over medium-high heat until melted Add 5 cups water; cook and stir mixture until steaming. Serve in mugs, topped with whipped cream, mini chocolate chips and Cookie Crisp cereal.

## Shop Smart! You deserve the best...Foundation!

We found the skin-perfecting foundations you'll want to make part of your morning routine! If you want ...

### • A wrinkleeraser:

( )

L'Oreal Visible Lift Serum Absolute Advanced Age-**Reversing Makeup** What are the magic ingredients in this foundation that'll help you turn back the clock? "Hyaluronic acid, which attracts moisture to your skin, and retinol, an age-defyer," says

makeup artist Vanessa Elese. "It smoothes and firms your skin; I'm looking forward to my next birthday, thanks to this formula!" \$12

### Moisturizing ingredients:

**Covergirl NatureLuxe** Silk Foundation "This foundation contains hydrating cucumber water, jojoba and rose hip extract to create a smooth look," says beauty blogger Marissa Mosseri (MakeupAnd Manicures.com). "I always get compliments when I wear it." Adds celebrity makeup artist Julie Cuomo, "It gives you a soft, dewy finish."

### A perfect match: L'Oreal True Match Super-Blendable Makeup

Have trouble finding your perfect shade? Not with this foundation! "It has the best range of colors—you're guar-anteed to find one that matches your skin tone," promises Emmy Award winning makeup artist Melanie Mills (MelanieMillsMakeup. com). "And since it contains micropearls that really brighten your complexion,

it also gives

gorgeous

### To banish blemishes: Neutrogena SkinClearing Liquid Makeup

"The salicylic acid in this skin-clearing foundation decreases production of the oils that cause acne and exfoliates the uppermost layer of your skin," says dermatologist Amy Derick, M.D. (Derick Dermatology. com). But what really sets it apart,

she says, is that "its powerful yet gentle formula penetrates deeper, preventing breakouts." \$12

The best shine control: **Revion Colorstay Makeup** with Softflex for **Combination/Oily Skin** "This lightweight formula con-

trols shine without clogging your pores and feels so fresh and natural," says Mosseri. "It's designed for comfortable, all-day wear and gives you a flawless, satinmatte finish. I also love that the SPF 15 protects you while you wear it!" \$11
